POPULAR PRESS COVERAGE

CNN Money; News Week

TEACHING EXPERIENCE

- *Department of Finance, College of Business, Florida State University*

-Foundations of Financial Theory, Spring 2006, Spring 2007, Spring 2008, Spring 2009, Fall 2009, Fall 2010, Fall 2011, and Fall 2012

- *Offered to first-year finance Ph.D. students, the primary objective of this course is to provide a doctoral level survey of the theory and empirical work in corporate finance. The class is designed to help the students to develop a thorough understanding of important issues in corporate finance, acquire basic theoretical modeling skills, and thus build a solid foundation for future independent research.*

- Research Methods in Finance*, Fall 2006, Fall 2007, Fall 2008, Fall 2009, Spring 2010, Spring 2011, and Spring 2013 (team teaching with Bong-Soo Lee)
 - It is an empirical course offered to second-year Ph.D. students. The primary objectives of this course are to introduce the students to major financial databases, to help them employ statistical packages in financial data analysis, and to examine empirical methods and data issues in financial research.
- Managerial Economics*, Fall 2004
 - A required course for all MBAs, this class is designed to introduce fundamental principles of microeconomics to potential future managers.
- Security Analysis and Portfolio Management* (upper level undergraduate course), 2001-2012
 - An elective undergraduate course for finance major, this class aims to help the students understand the theoretical and practical aspects of portfolio construction and management. Advanced investment topics are covered throughout the course, including option pricing and future contracts.
- *Teaching Assistant, University of Pennsylvania*
 - Finance Department, The Wharton School
 - *Funding Investment* (MBA course, Professor Gary Gorton), Fall 2000.
 - *Macroeconomics* (MBA course, Professor Andrew Abel), Spring 2000.
 - Department of Economics
 - *Game Theory* (Ph.D. economics course, Professor Andrew Postlewaite), Fall 1998.
- *Teaching Assistant, Department of Chemistry, Princeton University*
 - Introductory Chemistry Experiments* (Undergraduate chemistry course, lab oriented), Fall 1993 and Spring 1994.

SERVICES TO FLORIDA STATE UNIVERSITY

- *Student Advising at Florida State University*
 - Undergraduate students, College of Business:
 - Faculty advisors (2005-2006): Provided descriptions and advice to students on their major and course selections.
 - Career and job market advising (2001-2006): Provided advices on career path, including graduate school information and job market perspectives; provided references for students seeking graduate school admissions or full-time job positions.
