Below is a list of the common sounds of English and the letter groups used to represent these sounds. Letters and groups of letters may have different sounds, and this is shown along with their IPA symbols (International Phonetic Alphabet) and their frequency of occurrence. Sounds of English is a collaboration by Holly Gray and Sharon Widmayer that we first started to help our ESL students improve their English pronunciation. However, it is also great information to help with spelling and reading. You will also find information about our past research and presentations, lessons and activities, our current interests, and more. Learn the 44 phonemes (word sounds) in the English language and their various spellings to help support reading and spelling skills.Â Watson, Sue. "The 44 Sounds in the English Language."
