

Napoleon's Other War: Bandits, Rebels and Their Pursuers in the Age of Revolutions; 232 pages; 9781906165116; Michael Broers; 2010; Peter Lang, 2010

Louis Napoleon and the Bonaparte Family: Comprising a Memoir of Their Connections, With Biographical Sketches of Their Principal Contemporaries, and a of Napoleon III, and the Russian War [1856]. 4. fiyat. The Age of Revolutions in Global Context, c. 1760-1840. 3. fiyat. Partners of the Empire: The Crisis of the Ottoman Order in the Age of Revolutions. 2. fiyat. Pursuers Unto Death: Premium Hardcover Edition. 1. fiyat. The Dardanelles, Their Story and Their Significance in the Great War. 1. fiyat. Napoleon and Other Poems. 2. fiyat. Pursuers Unto Death: Premium Hardcover Edition. 2. fiyat. «In this book Michael Broers addresses the dirty little wars engendered by conquest, revolutionary reform and military policy in the Napoleonic era. His grasp of the sources is solid; his writing is passionate. His book deserves to become a classic.» (Professor Clive Emsley, Open University). «Michael Broers has written a masterful study of banditry and insurgency in the Napoleonic age, one that in every way both complements and updates work by Eric Hobsbawm and Charles Esdaile. [...] This excellent study, well provided with maps and illustrations, should occupy pride of place on the desk of a Heroes of the Napoleonic wars, the soldiers of the Grande Armée has been forgotten by the social history. Yet their group is really important to observe the consequences of the Empire about the French society and also to approach the anonymous history. Dispersed through the French territory after 1815, their destinies can be discovered by a prosopography which demonstrates that the legend written by Balzac isn't always the truth.» Napoleon's Other War: Bandits, Rebels and their Pursuers in the Age of Revolution. M. Broers. The Wars of Napoleon. C. Esdaile. Napoleon's Men: The Soldiers of the Revolution and Empire. A. Forrest.
