Buy Current Orthopaedic Practice – a Concise Guide for Postgraduate Exams 1 by Sanjeev Agarwal MS FRCS (ISBN: 9781903378595) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. Very much oriented towards the post graduate exam. Easy to understand, well written and is a good read. Would definitely recommend this book. Current Orthopaedic Practice – a Concise Guide for Postgraduate Exams. Sanjeev Agarwal. Orthopaedic Basic Science for the Postgraduate Examination: Practice MCQs and EMQs. S.J. Dawson-Bowling, I.R. McNamara, B.J. Ollivere. Orthopaedic Basic and Clinical Science for the Postgraduate Examination: Viva Practice & Diagrams. S.J. Dawson-Bowling, I.R. McNamara, B.J. Ollivere. Apley and Solomon's Concise System of Orthopaedics and Trauma, Fourth Edition. Apley & Solomon. Netter's Concise Orthopaedic Anatomy, Updated Edition, 2e (Netter Basic Science). Jon C. Thompson. Do you have any recommendation A well written book ideal for the U.K. medical board exams. It gives relevant recent references alongside the text, which aids memory. The text is clear and non-repetitive. Also good for any general orthopedic surgeon, for an overview of current management. Read more. Helpful. Report abuse. See all reviews. Top reviews from other countries. DBezz. Current Orthopaedic Practice. by Book Reviews, January 27, 2014. A concise guide for postgraduate exams. This book is published by tfm Publishing Ltd to cover the main areas of clinical orthopaedic practice. Each chapter uses a simple layout and is divided into small "bite-size" sections forming a key component of a trainee's preparation for postgraduate exams. The authors have succeeded in making the topics more understandable, interesting, and very readable, while keeping it up-to-date by citing the most current landmark-related articles alongside the text. | Print version: | Agarwal, Sanjeev | Current Orthopaedic Practice : A concise guide for postgraduate exams | Shrewsbury : TFM Publishing Ltd, c2012 | z 9781903378595. 797. 2.
