I do not own this copy - it was borrowed from my daughter's school library. She will be reading it next. The Anne Frank Fonds (Anne Frank Foundation) in Basel (Switzerland), which as Otto Frank's legal heir had inherited his daughter's copyrights, then decided to have a new, expanded edition of the diary published for general readers. This new edition in no way affects the integrity of the old one originally edited by Otto Frank, which brought the diary and its message to millions of people. The task of compiling the expanded edition was given to the writer and translator Mirjam Pressler. Otto Frank's original selection has now been supplemented with passages from Anne's a and b versions. Diary of a Young Girl, journal by Anne Frank, a Jewish teenager who chronicled her family's hiding during the German occupation of the Netherlands. Of the eight people in the secret annex, only Otto Frank survived the war. He subsequently returned to Amsterdam, where Gies gave him various documents she had saved from the annex. Among the papers was Anne's diary, though some of the notebooks were missing, notably most of those from 1943. To fulfill Anne's dream of publication, Otto began sorting through her writings. The original red-and-white checkered journal became known as the "A" version, while her revised entries, written on loose sheets of paper, were known as the "B" version.
