

The Screech Owls Northern Adventure Screech Owls Series #3

By Roy MacGregor

McClelland & Stewart. Paperback. Book Condition: New. Mass Market Paperback. 128 pages. Dimensions: 6.8in. x 4.0in. x 0.3in. The Screech Owls are on the road again, on a bumpy plane ride way up North that will land them in some very deep trouble! When Jesse Highboys dad asked the Screech Owls how they felt about going to James Bay to play in the First Nations Pee wee Hockey Tournament, everyone thought it was a great idea. It was the first time a non-native team had been invited, and the pressure would be on the Owls to live up to the honour and play some good clean hockey. More important, Travis and his teammates would also get the chance to stay with local native families, eat traditional food, travel by Ski-Doo, and experience what life in the North is all about. But freezing to death all alone in the bush, with a storm howling and the dreaded Trickster stalking the night No one had asked the Screech Owls how they felt about that! The Screech Owls Northern Adventure is the third book in the Screech Owls Series. Check out the Screech Owls website at www.screechowls.com This item ships from multiple locations. Your book...

MacGregor Roy (EN). Celebrating ten years and more than one million books in print! The third four-in-one edition to celebrate ten years of an award-winning, bestselling series. #9: Nightmare in Nagano The Screech Owls can't believe their good luck! They are flying thousands of miles to Nagano, Japan, the host city for the 1998 Winter Olympic Games - and they'll be playing in Big Hat, the Olympic arena. The attractions of Japan are quickly forgotten, however, when the mayor of Nagano is murdered at the tournament's opening-night banquet. Who would want such a nice man dead? And what Screech owls are typical owls (Strigidae) belonging to the genus Megascops, with 23 living species known at present, but new ones are frequently recognized and unknown ones are still being discovered on a regular basis, especially in the Andes. For most of the 20th century, this genus was merged with the Old World scops owls in Otus, but nowadays it is again considered separately based on a range of behavioral, biogeographical, morphological, and DNA sequence data.
