! The Books of Elsewhere. Quite the same Wikipedia. Just better. The Books of Elsewhere is a series of fantasy novels for kids and young teens by Jacqueline West. There are five Elsewhere books[2]. The Shadows (2010). Spellbound (2011). The Second Spy (2012). The Strangers (2013). Still Life (2014). Praise for The Books of Elsewhere. "The house is as much a character as are Olive, Morton, and her family, and a wicked sense of humor tempers the book's creepiness. A suspenseful plot and insight into childhood loneliness - handily amplified by b&w illustrations - will have readers anxiously awaiting the next book." -Publishers Weekly, Starred Review. "West creates a delightful concoction of quirky humor blended with a rumbling ominous undertone..." The Books of Elsewhere is a children's fantasy series by Jaqueline West. The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 New York Times bestselling master of suspense. Buy The Book. "Some authors have used the sci-fi genre to create other worlds and critique the current world politics or realities. Koontz's interests lay elsewhere. He's more concerned with the human condition that remains the same across time and space and that cannot be remedied by ideology."The Big Thrill.
