

The You Plan: A 5-Step Guide to Taking Charge of Your Career in the New Economy

By Michael Woodward

Keynote Publishing. Paperback. Book Condition: New. Paperback. 142 pages. Looking to Get Out of the Career Hot Seat and Back in the GameThe Great Recession has fundamentally changed the employment landscape in this country. Career success is no longer about chasing opportunities, its about creating opportunities. Creating your own career opportunities during these tough times is going to require an entrepreneurial mindset. Whether you are a battle-tested workforce veteran, recent graduate, or thinking of going out on your own, The YOU Plan is an essential tool for getting you out of the career hot seat and back in the game. The YOU Plan is a straight-forward step-by-step approach to career success designed by Dr. Woody as a self-coaching guide. The YOU Plan is about asking yourself five fundamental questions: What are my Values What are my Intrinsic What are my Passions What is my Essence or personal brand What is my Roadmap for getting thereTo thrive in the new economy you will have to find a way to stand out from the crowd. It will be up to you to pick a direction and create a plan for demonstrating your value. The YOU Plan is a simple, engaging, and attention-span...

Reviews

Very useful to any or all group of folks. It really is rally interesting through reading through period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Mrs. Dorris Wintheiser

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

-- Prof. Louvenia Flatley

The last step of your career rehabilitation process involves taking measured risks. Career rebuilding is often met with a lot of resistance and rightly so. Change is never easy. But this doesn't mean that you should be afraid to take on new and exciting challenges. Remember, thinking outside the box while taking calculated risks can help you with your career rehabilitation process, especially when faced with sudden change. Aim high and don't be afraid to take risks. You could learn a thing or two from taking risks especially if you are young or at the start of your career. Bottom Line. Career To thrive in the new economy you will have to find a way to stand out from the crowd. It will be up to you to pick a direction and create a plan for demonstrating your value. The YOU Plan is a simple, engaging, and attention-span friendly guide for helping you step-up and take charge of your career during these challenging times. ...more. Get A Copy. Amazon.
