CISSP Study Notes. Study Guides for (ISC)² Certified Information Systems Security Professional. In 2003, a training company I do work for got a contract to run classes for the NSA. The NSA said that all instructors had to have the CISSP certification, even if they were teaching a course on networking protocols or Linux servers. The training company wouldn't pay for me to get the certification. I would have to study on my own, and pay for the exam. But, the first day of my first one-week course would more than cover that cost. In 2003, (ISC)² themselves ran the exam events in rented hotel mee
