Book Summary. A Thousand Splendid Suns is set in Afghanistan from the early 1960s to the early 2000s. Mariam, a young girl in the 1960s, grows up outside Herat, a small city in Afghanistan. Mariam has complicated feelings about her parents: She lives with her spiteful and stubborn mother, Nana; while her father Jalil, a successful businessman, visits Mariam â€” his only illegitimate child â€” once a week. A thousand. Splendid suns. Khaled Hosseini. This book is dedicated to Haris and Farah, both the noor of my eyes, and to the women of Afghanistan.Â After that, there were no more suitors. In the clearing, Jalil and two of his sons, Farhad and Muhsin, built the small kolba where Mariam would live the first fifteen years of her life. They raised it with sun-dried bricks and plastered it with mud and handfuls of straw. A Thousand Splendid Suns is the painful, and at times violent, yet ultimately hopeful story of two womenâ€™s inner lives. Hosseiniâ€™s bewitching narrative captures the intimate details of life in a world where itâ€™s a struggle to survive, skillfully inserting this human story into the larger backdrop of recent history.â€”San Francisco Chronicle.Â â€œThe authorâ€™s fans wonâ€™t be disappointed with A Thousand Splendid Sunsâ€”if anything, this book shows at even better advantage Hosseiniâ€™s storytelling gifts.â€”New York Daily News.
