Watch 33-year old Bill Gates explain his hiring process. Make It. The Microsoft co-founder even included Walter Isaacson's biography of Leonardo in his 2018 list of must-read summer books. Gates made many predictions about the future back in 1999 that turned out to be shockingly true. He wrote in his book, "Business @ the Speed of Thought," "People will carry around small devices that allow them to constantly stay in touch and do electronic business from wherever they are. They will be able to check the news, see flights they have booked, get information from financial markets, and do just about anything else on these devices." Similarly, Leonardo was also very ahead of his time. *Im Going To Be Just Plain Mr. Bill Smith*. Introduction to the World War One Centenary Series. The First World War was a global war centred in Europe that began on 28 July 1914 and lasted until 11 November 1918. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Amelia Carruthers.
