To suggest that communication is a process means that it is ongoing and unending. Symbol. A symbol is an arbitrary label or representation of phenomena. Abstract Review of Introducing Communication Theory: Analysis and Application (6th ed.) Keywords Communication Theory, Book Review, Textbook. This review is available in Journal of Applied Communications: <https://newprairiepress.org/jac/vol102/iss3/7>. Settle: Introducing Communication Theory: Analysis and Application. For a general agricultural communication theory course, this book's merit stems from the breadth of theories it covers and the foundations it provides to understand those theories. As an instructional tool, the variety of applications for each theory can help students learn the material more effectively and help break up the text so the book is not too monotonous. For research, the book is limited, but that is not its intended use. Introducing Communication Theory: Analysis and Application. Quisto Seale.
