Description:

Concise and yet packed with detail, *Touching the Void*, Joe Simpson's harrowing account of near-death in the Peruvian Andes, is a compact tour de force that wrestles with issues of bravery, friendship, physical endurance, the code of the mountains, and the will to live. Simpson dedicates the book to his climbing partner, Simon Yates, and to "those friends who have gone to the mountains and have not returned." What is it that compels certain individuals to willingly seek out the most inhospitable climate on earth? To risk their lives in an attempt to leave footprints where few or none have

gone before? Simpson's vivid narrative of a dangerous climbing expedition will convince even the most die-hard couch potato that such pursuits fall within the realm of the sane. As the author struggles ever higher, readers learn of the mountain's awesome power, the beautiful--and sometimes deadly--sheets of blue glacial ice, and the accomplishment of a successful ascent. And then catastrophe: the second half of *Touching the Void* sees Simpson at his darkest moment. With a smashed, useless leg, he and his partner must struggle down a near-vertical face--and that's only the beginning of their troubles. --This text refers to an alternate edition.

Review "A brilliant, vivid, gripping, heart-stopping account of their terrifying adventure... Superbly written" Sunday Express "One of the absolute classics of mountaineering...a document of psychological, even philosophical witness of the rarest compulsion" --George Steiner, Sunday Times

The thrilling adventure of the century. A mountaineering classic with a happy ending. -

In *Touching the Void: The True Story of One Man's Miraculous Survival*, English climber Joe Simpson offers an account of surviving a nearly fatal climb of Siula Grande in the Peruvian Andes. After undergoing six surgeries on his leg, Joe Simpson's doctors told him he would have trouble walking and never climb again. Joe proved his doctors wrong. He continued mountain climbing after two years of physical rehabilitation. From 2000 to 2003, he attempted to climb the North Face of Eiger in Switzerland six times but had to abort due to bad weather conditions. Today Simpson is an author and motivational speaker. *Touching the Void* is the heart-stopping account of Joe Simpson's terrifying adventure in the Peruvian Andes. He and his climbing partner, Simon, reached the summit of the remote Siula Grande in June 1985. A few days later, Simon staggered into Base Camp, exhausted and frost-bitten, with news that that Joe was dead. What happened to Joe, and how the pair dealt with the psychological aftermath, is the heart-stopping account of Joe Simpson's terrifying adventure in the Peruvian Andes. He and his climbing partner, Simon, reached the summit of the remote Siula Grande in June 1985. A few days later, Simpson had survived the fall, but crippled, starving, and severely frostbitten was trapped in a deep crevasse. Summoning vast reserves of physical and spiritual strength, Simpson crawled over the cliffs and canyons of the Andes, reaching base camp hours before Yates had planned to leave. How both men overcame the torments of those harrowing days is an epic tale of fear, suffering, and survival, and a poignant testament to unshakable courage and friendship. Joe Simpson is the author of several bestselling books, of which the first, *Touching the Void*, won both the NCR Award and the Boardman Tasker Award. I originally saw and purchased the movie which could only have been better if it was in Imax as the photography is absolutely breath taking. The book certainly has some more detail however I think having seen the movie helps a bit with visualizing the extreme conditions these guys were in.Â Verified Purchase. Joe Simpson One man's journey back from the edge of death In 1985, Joe Simpson and Simon Yates made an assault on the previously unclimbed West Face of Siula Grande, in Peru. Reaching the summit was a proud moment. A story of a mans survival while climbing a mountain. It made me wonder why anyone would take up this type of endeavour. I gave the book to a man who had climbed Mt. Kilimanjaro, thinking he would enjoy it.
