Learn More About The importance of Google shows just how much marketing has changed. While in the past newspaper ads, direct mail, and the Yellow Pages might have been perfectly fine methods for advertising your landscape business, today's digital environment demands new techniques. Particularly important to keep in mind is that buyers are now in control of the conversation. They expect answers to their questions, at the exact moment they have them. It combines academic thinking with examples and insights drawn from consulting. Strategy and the Business Landscape offers a contemporary yet historically grounded perspective on the field of strategy. Pankaj Ghemawat provides firm-centered and value-based logic to bridge some of the great debates about strategy today. Always practical, while still rigorous, key concepts are laid out succinctly and illustrated with rich examples, often drawn from the author team's rich professional experience.
