The Seven Spiritual Laws Of Success contains powerful principles you can use to fulfil your deepest desires. It teaches us that we do not need to strive and punish ourselves to be successful in life, as perhaps we have been taught to. On the contrary, we learn that life unfolds with ease, grace and all in perfect timing. Get it on Amazon. 3- The Secret. Rhonda Byrne. The Secret is a profound and inspiring book that speaks in detail about the law of attraction, i.e. asking for what you want, believing in and being aligned with what you want, and being open to receive it. The Secret has empowere The Spiritual Man is a translation of the only book of any substantial size which brother Watchman Nee himself ever wrote. At the time of writing it he felt this work might be his last contribution to the church, although since then God has graciously overruled. our inward man. We conclude that the Bible divides man into three parts—spirit, soul and body. We shall see further how different are the functions and the realms of these three parts, particularly those of spirit and soul. This book is written not only for the believers as such, but also to help those who are younger in the Lord's service than I. We who are responsible for the spiritual life of others ought to know from what. —Citations will be added where the direct quotations can be found. Translator. 14 The Spiritual Man.
