The ultimate collection of tasteless and sick jokes that just shouldn't be told. More than 3,000 off-colour jokes, cover... More than 3,000 off-colour jokes, covering every taboo from sex and death to race and disability, this book leaves no stone unturned in its search for the most dubious jokes known to humanity. Why exactly do we like to laugh at jokes that are cruel, heartless and downright wrong? And more to the point, who cares so long as they make us laugh? Twice as funny, twice as outrageous, twice as shocking. From Anne Frank's drum kit to the correct use of wheelchairs, this is a fantastic new collection of bad taste and political incorrectness. If you even think about reading it you're a monster. E Henry Thripshaw - The Mammoth Book of Tasteless Jokes. Downloaded from demonoid.txt. 53. Get some real action.txt. 41. Finally, I would like to thank the Royal Family for giving me access to the Windsor joke archive, especially their large collection of gratuitously offensive racist material. A special personal thanks also of course to HRH the Duke of Edinburgh for his fine Diana jokes. It was also a great honour to have been one of the first non-royals ever to have set eyes upon the Saxe Coburg Gotha dirty joke archive, which I spent many happy hours poring over, although, alas, the legendary Queen Mary's "coexisting joke" proved elusive. In short, something to offend everyone, I hope.

I will be putting some jokes from this book into my review to give you an idea on how bad it can get without my review being offensive to people. I'm open and broad minded and there isn't much in this world that really offends me but this review panel isn't the place to put it. And this book is nearly up there with some of it's so called jokes as I cannot see how some of it's contents can actually be called or even classed as a joke.
