In Walt Disney's story of Snow White, we learn about flawless Princess Snow White who lives in a castle with her wicked stepmother the Queen. Sadly, Snow White's father, the King, has passed away leaving her no choice but to live with the Queen. The Queen was very jealous of Snow White and always competed with her to be the fairest one of all of the land. Snow White counted on these Dwarfs for friendship and they soon protected her from her evil Stepmother but they were also a pathway to help her find her Prince. I think that this book appeals to all ages. The visuals and the simple text means that it can be enjoyed by KS1 as well as KS2 children. I gave this book five stars.
